

GOVERNMENT PUBLICATIONS CHECKLIST
NO. 236
JANUARY – MARCH 2005

Government Publications Checklist is published quarterly and is available from:

GOVERNMENT DOCUMENTS OFFICE
MAINE STATE LIBRARY
64 STATEHOUSE STATION
AUGUSTA ME 04333-0064

Government Documents Office telephone: (207) 287-5600.

.....

MRSA Title I, Chapter 13, Section 501-A, requires all Maine state agencies to deposit copies of their publications with the Maine State Library.

.....

HOW TO OBTAIN LISTED PUBLICATIONS

Requests for copies of listed publications should be directed to the *issuing state agency*. Ask for the publication by name and indicate its publication date. **DO NOT USE THE CLASSIFICATION NUMBER**, as this has no meaning to the agencies; this number was assigned by the Maine state Library for its own cataloging purposes.

Inclusion of a title in this list does not guarantee, however, that the agency has copies for general distribution. Also, some state agencies may charge a fee for their publications.

Increasingly, the *Checklist* will list documents with an URL (Internet address). These documents are in the Maine State Library but **WERE NOT** distributed to the depository libraries. Please use the URL to locate these specific documents on the Web, and then print to obtain a paper copy.

ACCESS VIA DEPOSITORY LIBRARIES

All publications listed in the *Checklist* are available for use or loan at the Maine State Library and many are available for use at the following depository libraries for Maine State Publications:

Bates College
Bowdoin College
Colby College
Maine State Law and Legislative Reference Library
Portland Public Library
University of Maine at Farmington
University of Maine at Fort Kent

University of Maine at Machias
University of Maine at Presque Isle
University of Southern Maine – Portland campus

.....

A single asterisk (*) in front of the publication's title indicates that only a few copies of that publication were available for distribution; some designated depository libraries received copies. A double asterisk (**) in front of the title indicates that only the Maine State Library received copies of this title.

.....

IF A PUBLICATION IS OMITTED

Please notify the Maine State Library Government Documents Office of any state publication that was published between January – March 2005.
This should have been included in the *Checklist*. Telephone: (207) 287-5600.

.....

With few exceptions, these items can be found cataloged in URSUS and the MARC records of these publications can be found in OCLC.
